TRIPLEWARM Exceeding our customer expectations

OUR MISSION STATEMENT

To Exceed Our Clients Expectations

We at TripleWarm understand that to be truly successful we must put our customers first. We constantly strive to improve the quality, by giving our staff ongoing training in new technology and improving existing systems within the glass industry

We believe that:

**Satisfaction
Equals Loyalty**

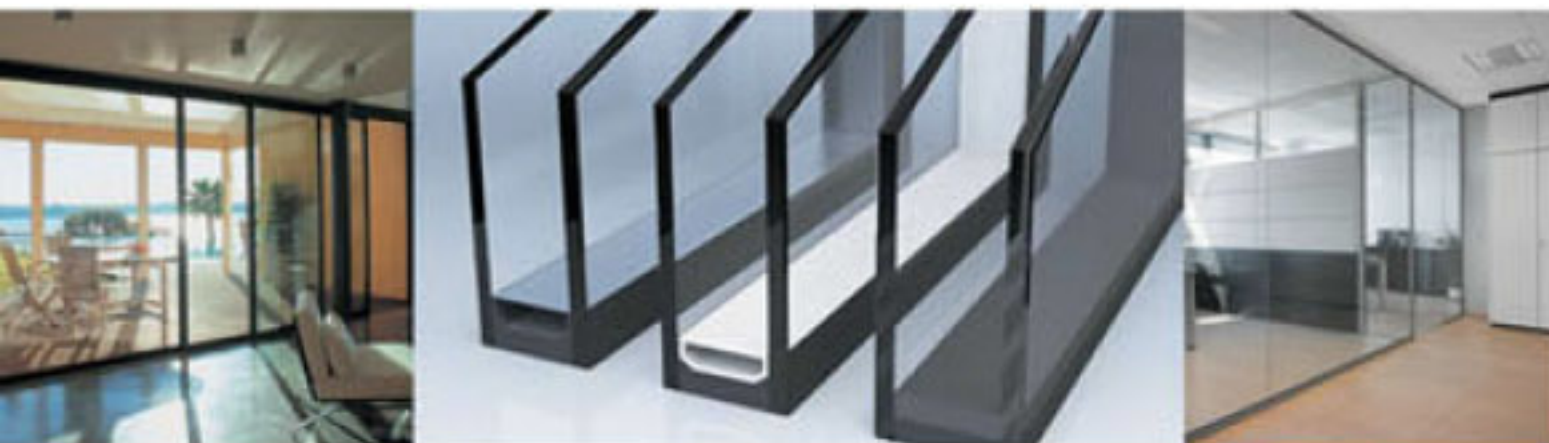

> TRIPLEWARM

With our fleet of vans, we are able to deliver either direct to your factory or to a requested site address with an allocated timeslot. This flexibility enables our clients to stay in control and allow them to plan ahead.

> COMMERCIAL OR DOMESTIC

We supply glass to all industries such as:

- Residential
- Commercial
- Joinery Specialists
- Steel Window Manufacturers
- Aluminium Windows

> MAGNETIC BLINDS SYSTEM

Within their customised glazed units TripleWarm can incorporate magnetic venetian blinds as an optional extra. Whether for commercial or residential application these blinds can be an impressive and practical feature.

Benefits of TripleWarm blinds:

- The TripleWarm Blinds Magnet allows for precise manual control
- Blinds can be raised or lowered to suit the weather conditions
- Blinds can be tilted to allow the exact level of light and heat you require
- Unbeatable protection against glare and build up of heat
- Fast Turnaround Times on all TripleWarm Blinds units
- Our sealed Blinds unit prevents the slats from getting damaged, dirty or dusty
- A range of coloured Blind slats available

TripleWarm blinds are available in a range of colours to compliment any home or business decor.
